

NAME: _____

Cellular Sam

Role: Your cell phone is always on you. You text all the time. No matter where you are, no matter what the time is, your friends know that you will pick up the phone and respond. But you may want to put the phone down, because it can be bothersome to other people and it can even affect your health!

Directions: Answer each question in complete sentences. Make sure that you are using all of the resources and sites that are listed on this paper and online.
